

**MAJOR IN:  
“INTERNATIONAL POLITICAL  
ECONOMY”**

TBS BACHELOR DEGREE

# DESCRIPTION

- “International Political Economy” fruit of a collaboration between two prestigious projects the WTO Chair Program at TBS and the LSE
  - Instructors include TBS faculty and other local professors
  - WTO staff, LSE faculty as well as other academics and experts are regularly invited to give lectures for the WCP-TBS Policy and Practice Seminar Series
- 

# OBJECTIVES

- To develop a cohort of TBS graduates who are global leaders, experts on International Business, International Trade, and International Political Economy.
- This cohort will go on to work with international businesses, Tunisian ministries, international organizations and will therefore be able to impact policies and academic and policy debates in these areas.
- This cohort will be eligible for MA programs in International Business, International Relations, International Economics and Global Affairs.
- Several partnerships with the United Nations, World Trade Organization, International Trade Centre, JICA, with prestigious universities: LSE, World Trade Institute, University of Montreal, etc.
